

Society for Assisted Cooperative Recovery from Eating Disorders

JOB POSTING

Position: Program Coach

Terms: Part-time at approximately 20-25 hours/week

Location: Downtown Edmonton

Job Description

The Program Coach is responsible for working as part of the care team, working directly with participants of SACRED's Eating Disorder Recovery Day Program. Providing guidance and emotional support to participants as they journey to find recovery includes: facilitating pre and post meal groups and other solution-focused sessions, assisting participants to develop a wide range of life skills, eating meals as served with participants, transporting and attending 12 step meetings and other activities with participants, occasionally working with partners or families of participants, keeping records, recording and reporting incidents, following up with past participants, and public presentations.

Qualifications

Educational Qualifications

- Diploma or degree in a related (human services) field
- Addictions knowledge is an asset
- Standard First Aid, CPR and Suicide Intervention Training required within 3 months of hiring

Work Experience

- Experience working in a helping profession
- Experience working with vulnerable populations, individuals with eating disorders or other addictions an asset

Other Assets

- Understanding of 12-step programs, recovery and maintenance is an asset
- Good physical health, emotional maturity and a balanced, healthy lifestyle
- Good problem-solving skills, ability to remain composed when faced with unexpected problems and stressful situations
- Tolerance for beliefs and values that not your own
- Interest in taking a multidisciplinary, cultural, holistic approach
- Creative ability to develop new programs or ways of doing things

Note

- All employees must submit a clear Criminal Records Check, within one week of employment start date in accordance with the Protection of Persons in Care Act
